AAP 2023

Workshops on lessons learnt from AAP 2022

July 5, 2022

- Organization (2020/21)
  - Personnel
    - 7,000 (4,500 academic + 2,500 admin)
  - Students enrolled
    - 63,000
  - 32 Departments
    - 29 nominated for Research Excellence at national level (2023-27)

- Entities involved in Open Science activities
  - Vice Rectors
    - for Research
    - For Historical and Cultural Heritage
  - University Library Centre
    - Head of ULC
    - Scientific Technical Committee

- Entities involved in Open Science activities
  - Open Science Commission (since February 2022)
    - ...
    - Vice-rector for Infrastructures
    - Delegates for Open Science (publication) and Open Data
    - Delegates for each Research macro-areas
    - Research and Business Relations Area
    - Finance and Planning Area

- Main Activities (AAP 2022)
  - Category 1. Support to additional R&I
  - **Category 2. Scale up of technologies**
  - Category 3. Demonstrators
  - **Category 4. Creating new business opportunities**
  - Category 5. Training & skills development
  - Category 6. Contribution to the development of new standards, regulations, and policies
  - Category 7. Supporting ecosystem development
  - Category 8. Communication, dissemination, awareness raising, citizen engagement
  - Category 9. Other

- Activities carried out before (and during) 2022
  - Institutional FAIR Repository
  - Education, training and skills development in Open science and FAIR data management of research artefacts.
  - Activities/fundings for open publications
  - Investment in new platforms, demonstrators, pilot use cases exploiting domain-specific user environments and supporting the EOSC vision

- Advantages of AAP
  - (Re)think about all the efforts and activities
  - Focus on missing parts/processes/initiatives
  - Share ideas/improve discussions
- Drawbacks of AAP
  - (Very) hard to collect data (that where not designed to be collected...)
  - (Very) hard to contact people (big numbers/too many questionnaires :-( )

The logo for eossc, featuring a stylized 'e' composed of two overlapping loops in blue and red, followed by the lowercase letters 'eossc' in a black sans-serif font.A commemorative logo for the University of Padua's 800th anniversary. It features a large, stylized '800' in a serif font, with '1222-2022' above it and 'ANNI' below it.
