

The "Communication" Working Group of the "EOSC-France" Committee

David Chopard-Lallier

Tripartite Event EOSC-France – 14 June 2023

Goal

Define and implement communication for the EOSC users in France

Resources and actions

- Website: single point of entry for all EOSC information
- Mailing list (eosc_france_info@groupe.renater.fr)
- Communication kit (flyer, brochure, etc.)
- Managing a LinkedIn profile and a Twitter account
- Build a network of ambassadors with the working group “Médiation et accompagnement” (see next presentation)
- Rely on French universities that are members of European university alliances to promote the EOSC?
