

# EOSC Workshop AAP

## NFDI

# Introduction

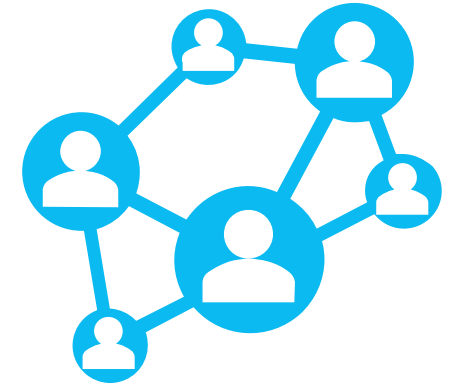

## NFDI Association

# Introduction

## NFDI & EOSC

- NFDI
  - ...is a member of the EOSC Association.
  - ...is the mandated organisation for Germany within the EOSC Association.

- 20 German Legal Entities participate in the EOSC Association as Members and Observers

- Almost all of German EOSC members and observers are also members in the NFDI

- Almost all of German EOSC members and observers are also part of a NFDI consortia

# Additional Activities Plan

## How was data obtained by NFDI?

- Got in touch with the ministry and the funding organisation
- Reported budget of the NFDI directorate
- Funding organisation delivered the remaining numbers:
  - Funding of the NFDI consortia
  - Funding of related projects

# Additional Activities Plan

## Learnings, Challenges, Questions

### Learnings

- Early and close coordination with the relevant partners and stakeholders very helpful

### Challenges

- Decide which numbers to put in which category

### Questions

- What happens with the numbers?
- What will be the reporting period of the next AAP report in autumn?
