

Instructions: Skills, Training, Rewards, Recognition & Upscaling

Dear Participants,

We are thrilled to welcome you to the upcoming [OA5 - Skills, Training, Rewards, Recognition & Upscaling session at the EOSC Winter School](#). This unique programme is dedicated to Skills, Training, Rewards, Recognition, and Upskilling. As part of the Organising Sub-Committee, we are committed to providing you with an enriching and engaging experience.

Our programme is designed to align with the EOSC's mission of promoting Open Science and developing a skilled scientific community. You will have the opportunity to interact with Task Force Co-chairs and delve into topics like Upskilling Countries, Data Stewardship, and Researcher Engagement & Adoption. The sessions will feature insights from leading projects such as Skills4EOSC, EOSC4Cancer, and EuroScienceGateway.

Expect interactive workshops and discussions aimed at sharing best practices and strategies for engaging diverse communities within the EOSC ecosystem.

Objectives and Expected Outcomes:

- Integration of Skills, Training, Rewards, Recognition, and Upscaling within the EOSC framework.
- Enhanced understanding and strategies for community engagement in EOSC.
- Comprehensive insights into the roles of various initiatives and projects under the EOSC.

Your preparation:

In order to get the most out of the time we will spend together we would like you to:

- **Please read** the [full programme of our activities](#) in the Winter School and think about where you can contribute
- **Be prepared to share.** Participants are expected to engage in discussions and share relevant project activities and suggestions related to the programme, but also any topics or issues we may have missed
- **The reading list** is included on the [Skills, Training, Rewards, Recognition & Upscaling](#) session website to give you background information to the sessions. Please feel free to reach out if there are any questions about these materials.

Participants are expected to engage in discussions. We are looking forward to your active participation and engagement in this transformative journey.

Should you have any questions or require further information, please do not hesitate to contact us: edith.euan@eosc.eu
