Programme

Tuesday, December 10 2024

09.00 - 09.30	Registration and morning coffee
09.30 - 10.00	Welcome and greetings from the political leadership and from the NCSR "Demokritos" <ul style="list-style-type: none">- Zoe Rapti, Deputy Minister of Development, Ministry of Development- Dr. Anastasios Gaitanis, Secretary General for Research and Innovation, General Secretariat for Research and Innovation, Ministry of Development- Dimosthenis Anagnostopoulos, Secretary General for Information Systems and Digital Governance, Ministry of Digital Governance- Prof. Nikolaos Papaioannou, Secretary General for Higher Education, Ministry of Education, Religious Affairs, and Sports- Georgios Nounesis, Director and Chairman of the Board, National Centre for Scientific Research "Demokritos"
10.00 - 11.00	Hellenic Open Science Initiative (HOSI) <p>In this session, the strategies and actions of the Hellenic Open Science Initiative (HOSI) will be presented, aiming to establish a strong national framework for promoting Open Science in Greece. The participants will have the opportunity to learn about the vision of HOSI, the priorities it sets for connecting the country with the European Open Science Cloud (EOSC), as well as the next steps that will strengthen collaboration among research institutions and foster the adoption of Open Science practices.</p>

	<p>Μοχλός προόδου για την Ανοικτή Επιστήμη και το Ευρωπαϊκό Νέφος Ανοικτής Επιστήμης (EOSC) - Σπύρος Αθανασίου, Πρόεδρος της ΕΠΑΕ / Διαχειριστής Έργων στο Ερευνητικό Κέντρο “Αθηνά”</p> <p>Παρουσίαση της Συλλογικής Πρότασης της ΕΠΑΕ για το Εθνικό Σχέδιο Ανοικτής Επιστήμης - Έλλη Παπαδοπούλου, Εκπρόσωπος του OpenAIRE στην Ελλάδα / Επιστημονική συνεργάτης στο Ερευνητικό Κέντρο “Αθηνά”</p> <ul style="list-style-type: none"> - Leveraging Progress for Open Science and the European Open Science Cloud (EOSC) - Spyros Athanasiou, President of HOSI / Project Manager, "Athena" Research Center - Elli Papadopoulou, OpenAIRE NOAD in Greece / Scientific Collaborator, "Athena" Research Center <p>Q&A Coordination by Timokratis Karamitros, Principal Investigator / Scientific Supervisor of the Genomic Analysis and Bioinformatics Applications Development Unit, Hellenic Pasteur Institute</p>
<p>11.00 - 11.30</p>	<p>Photo & Break</p>
<p>11.30 - 12.45</p>	<p>The European Framework for the Development and Implementation of Open Science</p> <p>The discussion focuses on the policies and infrastructures for research that shape Open Science at the European level. It examines initiatives that promote Open Science, as well as the actions of European organisations that define frameworks and guidelines for its adoption. Furthermore, it highlights the role of promoting scientific excellence through open practices and policies, as well as the strengthening of collaboration among European universities. Additionally, the efforts to develop high-quality research infrastructures in Europe are analysed.</p> <p>CHIST-ERA's Commitment to Open Science: Funder Perspectives on Advancing Research Practices in Europe - Ahmad Zein, Head of the Open Science team of CHIST-ERA,</p> <p>Adopting Open Science in Universities: Key Strategies from the Open Science Agenda 2025 - Federica Garbuglia, Policy and Project Officer at European University Association (EUA),</p> <p>The Role of ESFRI Infrastructures in Shaping Open Science Ecosystems Across Scientific Fields - Yannis Ioannidis, ex delegate / ex Vice-Chair and permanent expert at European Strategy Forum on Research Infrastructures (ESFRI)</p> <p>Panel</p> <p>Moderated by Dimitra Kondyli, Representative of the Greek research infrastructure SoDaNet in the Consortium of European Social Science Data Archives (CESSDA AS) / Director of Research at the Institute of Social Research (ISR) of the National Centre for Social Research</p>

	(NCSR)
12.45 - 13.45	<p>The path towards EOSC: next steps</p> <p>EOSC: From the EOSC EU Node to the EOSC Federation (including reference to related Horizon Europe calls) , Dr. Pantelis Tziveloglou , Team Leader for the European Open Science Cloud, Open Science and Research Infrastructures Unit, Directorate-General for Research and Innovation, European Commission</p> <p>EOSC Association current status and activities, Dr Klaus Tochtermann, EOSC-A Treasurer at the Board of Directors / Director of the ZBW – Leibniz Information Centre for Economics</p> <p>Q&A</p> <p>Moderation by Kostas Koumandaros, Vice President of the Hellenic Open Science Initiative (HOSI) & Representative of the Delegated Organisation in EOSC / Head of the Strategy Unit at the Directorate of European and International Projects Infrastructure, National Infrastructures for Research and Technology (GRNET)</p>
13.45 - 14.45	Break - Light Lunch
14.45 - 16.00	<p>Policy Forum: The Future of Open Science in the National Research and Innovation Ecosystem</p> <p>In this session, interventions from national organisations will be presented, which will contribute to shaping policies and strategies. The role of national stakeholders such as central government, funding organisations, and central academic structures will be highlighted.</p> <p>The panel will discuss the challenges and opportunities for implementing Open Science in Greece, as well as the necessary actions for creating a cohesive and sustainable national framework.</p> <ul style="list-style-type: none"> - Katerina Kouravellou, Director of the Hellenic Foundation for Research and Innovation (HFRI) - Maria Christoula, Head of the Directorate for International Scientific and Technological Cooperation, General Secretariat for Research and Innovation (GSRI) - Antonis Stasis, General Director, General Directorate of Digital Governance, GSIS - Varvara Papathanassopoulou, General Director of Higher Education, Ministry of Education, Religious Affairs, and Sports - Maria-Xeni Gareizou, Head of the Directorate for the Management of the National Monument Archive, Ministry of Culture - Lia Ollandezou, Coordinator of the Committee on Electronic Resources, Hellenic Academic Libraries Link (HEAL-Link) <p>Panel with political leadership and funding organisations</p>

	<p>Moderated by Natalia Manola, Executive Director, pan-European infrastructure "OpenAIRE"</p>
<p>16.00 - 17.00</p>	<p>Case Studies: National Open Science Actions</p> <p>In this session, initiatives and strategies from various countries promoting Open Science will be presented, enhancing collaboration and empowering the research community. Participants will have the opportunity to learn how different organisations are working on developing infrastructures, strengthening research data management, promoting open access to publications, evaluating research, and creating services connected to the European Open Science Cloud (EOSC).</p> <p>After the presentations, a Q&A session will follow, offering the audience the chance to delve deeper into the topics, ask questions, and exchange views with the speakers and participants.</p> <p>4TU and Competence Centers: Driving Collaboration and Research Excellence in the Netherlands - Daniel Bangert, Director at 4TU.ResearchData / TUDelft</p> <p>Fostering Collaboration for Open Science in Hungary: Advancing Publications, Data Stewardship, and EOSC Services - Judit Fazekas-Paragh, Head of Department Education and Research Support at University of Debrecen and National Library</p> <p>Leading the Digital Transformation: How Croatia is Advancing Open Science and Research Infrastructure - Ivan Maric, Director/CEO at University of Zagreb University Computing Centre (SRCE),</p> <p>Empowering Finland's Open Science Community: Coordinated Efforts in Data Management and Research Assessment - Johanna Laiho - Kauranne, Data Governance Lead for CSC - IT Centre for Science.</p> <p>Collaboration between the Deputy Ministry and the Cypriot research community for the adoption and implementation of open science, Sylvia Koukounidou, coordinator of the Digitization and Archives office of the University of Cyprus / OpenAIRE NOAD in Cyprus</p> <p>Q&A</p> <p>Moderated by Evangelia Chrysina, Representative of Greece at Instruct-ERIC / Director of Research at the Institute of Chemical Biology, National Hellenic Research Foundation (NHRF) & Spyridoula Vlachaki, Librarian, Foundation for Research and Technology – Hellas (FORTH)</p>
<p>17.00 - 17.30</p>	<p>Break</p>

<p>17.30 - 17.55</p>	<p>National Contribution to Open Science and EOSC</p> <p>The session will feature brief, targeted presentations (lightning talks) from representatives of the Greek research community who either coordinate or actively contribute to projects that develop and promote Open Science and EOSC.</p> <p>The presentations will cover a range of topics, from the development of skills and the support of research infrastructures to enhancing interoperability, policies, and innovative services for Open Science. Specifically, projects such as GraspOS, PathOS, OSTrails, RAISE, Skills4EOSC, PATTERN, PSLifestyle, EVERSE, FC4EOSC, and EOSC BEYOND will highlight the challenges, achievements, and their role in supporting scientific collaboration at both national and European levels.</p> <p>Lightning talks from projects</p> <p>Moderated by Zoe Kournia, Director of Research, Biomedical Research Foundation of the Academy of Athens (BRFAA)</p>
<p>17.55 - 18.00</p>	<p>Close</p>
<p>18.00 - 20.00</p>	<p>Poster session - Networking reception</p>
